WHOLE SCHOOL ATTENDANCE DATA TERM TWO WEEK SEVEN

Kaikohe Schools AREA Initiative.

(Attendance Retention Engagement Achievement = AREA)

Last week Principals of Kaikohe East, Kaikohe West, Kaikohe Intermediate and Northland College met to discuss the exciting development in creating effective learning pathways linking our schools to ensure that all students achieve the minimum of NZCEA Level 2. This is our goal. Principals have developed an action plan that includes:

- Common professional development
- Sharing of achievement data
- Transitioning processes between schools
- Shared Governance practises
- Reflection on the impact of National Standards

This is an exciting new initiative that we expect to bring significant shifts in student achievement in our four main stream Kaikohe Schools.

“It takes a whole village to raise a child” (A proverb from the Navaho Nation)

Paper 4 Trees

Last week Sue Woods from ‘Paper 4 Trees’ came to talk to the staff about a recycling initiative which members from our Fun Safe Student Representatives will be running. The programme involves the recycling of all paper waste within our school to reduce the amount of waste we as a school produce every year!

Our Green Paper waste bins will be arriving soon. Let the Recycling Begin!

Vanuatu Updates

Hot and Delicious Hangi

Hangi tickets are available from the office, \$7 each. They will be ready at our school hall 1pm THIS Friday.

Thought of the Week

“A very wise old teacher once said: “I consider a day's teaching wasted if we do not all have one hearty laugh.” He meant that when people laugh together, they cease to be young and old, master and pupils, jailer and prisoners. They become a single group of human beings enjoying its existence.” - Gilbert Highet (1906 -1978) Scottish-American Classicist.
